

GRAND NAPA VINEYARDS

2022 · SAUVIGNON BLANC
SPRING MOUNTAIN DISTRICT

Winemaker Notes

Our Sauvignon Blanc from the Spring Mountain District is a tropical delight, with aromas of zesty grapefruit, lush pineapple, and delicate elderflower. The nose is bright and refreshing, with a hint of minerality that adds complexity. This wine is perfect for pairing with a variety of dishes, from light salads to grilled seafood. It would also be a great choice for sipping on its own on a hot summer day.
