2022 · CABERNET SAUVIGNON

HOWELL MOUNTAIN

Winemaker Notes

Perched above the fog line, Howell Mountain produces wines of remarkable intensity and structure, shaped by its elevation and volcanic soils. This 2022 Cabernet Sauvignon embodies that power, with lush notes of blackberry, toasted oak, and vanilla unfolding on the nose. Vibrant acidity and firm tannins create a bold, yet balanced palate, leading to a long and lingering finish.

24 months in 80% new French oak, the balance in 2-year-old French oak
