2023 · PINOT NOIR LOS CARNEROS

Winemaker Notes

Our 2023 Los Carneros Pinot Noir shows off a deep ruby red color that immediately draws you in. Its aroma bursts with red fruit and earthy hints, including a touch of black cherry and violet. On the palate, you'll notice a fresh, crisp feel with layers of red fruit flavors like strawberry and raspberry. This wine is lively and very fruit-forward, with a balanced structure and a long, satisfying finish that makes it an instant classic.
